EXPERIENCE

Project Manager/Field Engineer   **Jan. 2016 - Present**
3Bs Tinus Nig Ltd | Lagos, Nigeria

Coordinated all jobs and over 30 personnel working on multiple construction site locations. Implemented new design and installation techniques for electrical jobs. Wrote new training manuals for new staff.

Key Accomplishments:
- Significantly reduced time taken to complete jobs by 20% which led to completing jobs before the deadline
- Reduced errors from new employees because of detailed training manuals.

Site Manager (Consultant)   **Aug. 2021 - Nov. 2021**
Allied Foods | Lagos, Nigeria

- Oversaw the construction of the first two Burger King restaurants in Nigeria which was about a $1 million project
- Wrote detailed weekly progress reports on all jobs on sites.
- Managed all contractors and subcontractors to deliver quality materials and services at scheduled time

Internship Advisor (Intern)   **Oct. 2020 - Feb. 2021**
Swiss Hotel Management School | Caux, Switzerland

- Coached students on acquisition of internships and business etiquette
- Designed and organized an icebreaker event for more than 100 students
- Drafted employment contracts for over 250 students to over 50 hotels and companies around America, Europe and Asia
- Took initiative in designing and hosting a workshop after hours for student support

EDUCATION

Swiss Hotel Management School | Masters of Arts in International Business in Hotel Management   **Feb. 2020 - Mar. 2021**
- Elected Marketing Manager for Banquet Event
- Nominated as student Marketing Ambassador for Swiss Education Group

University of Liverpool | Bachelor of Engineering with Honors   **Sept. 2011 - July. 2015**
- Elected Marketing Manager for Banquet Event
